RE: MTC TIP Revision No. 2013-08 – Amendment

Dear Mr. Aljabiry:

Please be advised that MTC recently made several changes to the 2013 Federal Transportation Improvement Program (TIP). TIP Amendment 2013-08 revises 17 projects with a net increase in funding of \$18 million. Among other changes, the revision:

- Amends four exempt and seven non-exempt, not regionally significant One Bay Area Grant (OBAG) funded projects into the TIP and updates the funding plan and scope of one additional OBAG funded project with a net increase in STP/CMAQ funding of \$11.5 million;
- Archives an earlier listing for the Vallejo Downtown Streetscapes project (SOL050048) as it has been completed; and
- Amends two new grouped listings into the TIP (VAR130002 – GL: JARC FY12 Small UA & Rural; and VAR130003 – GL: New Freedom FY12 Small UA & Rural) with a net increase in JARC funding of \$475,933 and in New Freedom funding of \$584,825.

The modifications made pursuant to this revision do not require a new regional emissions analysis because the projects were found to conform as a part of a previous analysis, pursuant to the transportation conformity provisions found in 40 CFR Part 93 section 122(g). MTC's 2013 TIP, including Revision No. 2013-08, was developed through a continuing, cooperative, comprehensive transportation planning process in accordance with 23 U.S.C. §134 and 49 U.S.C. Chapter 53 and MTC's Public Participation Plan.

TIP financial constraint documentation submitted with this revision shows that MTC's TIP is financially constrained as required by the federal surface transportation programs authorizing legislation and statewide and metropolitan planning and programming regulations. MTC's 2013 TIP, as revised with TIP Revision No. 2013-08, remains in conformity with the applicable State Implementation Plan (SIP) for air quality and the revision does not interfere with the timely implementation of the Transportation Control Measures contained in the State Implementation Plan (SIP).

The revised TIP entries and the updated fiscal constraint documentation have been emailed to your staff and have been posted at MTC's TIP website at: <http://www.mtc.ca.gov/funding/tip/>. If you have any questions regarding this revision, please contact Sri Srinivasan of my staff at (510) 817-5793 or Adam Crenshaw at (510) 817-5794.

Sincerely,

Ann Flemer
Deputy Executive Director, Policy
